

Name: _____

Date: _____

Humans

Start by cutting out and the heart, lungs, brain and stomach from your other sheet. Then glue them in place on the person below. Next, label the parts of the human body.

Head

Arm

Leg

Foot

Hand

Heart

Lung

Brain

Stomach

Hair

What is the purpose of these body parts?

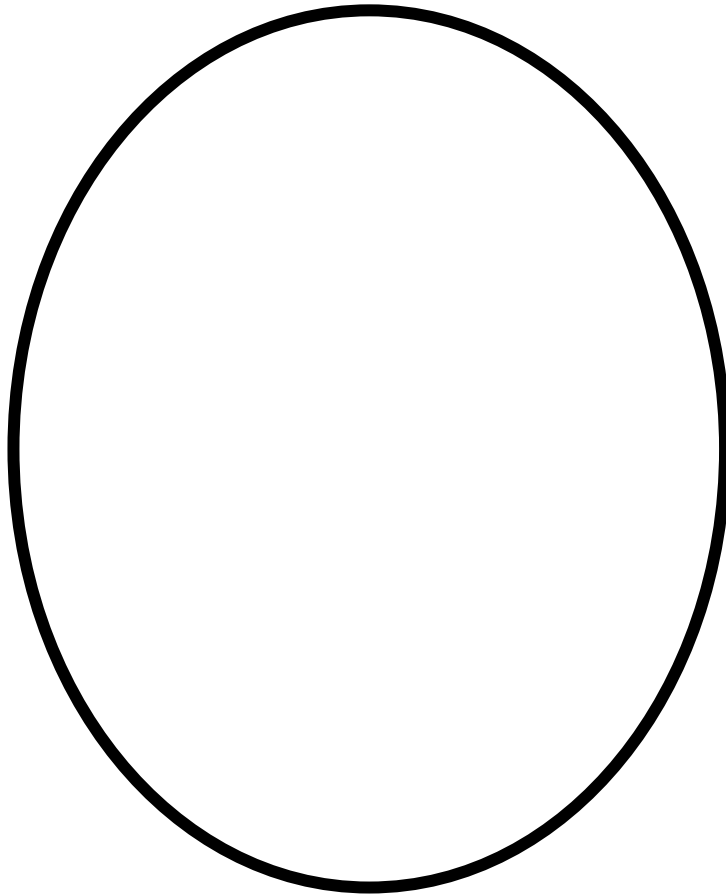

Heart _____

Brain _____

Lungs _____

Stomach _____

Turn the oval below into a human face by drawing in the eyes, nose, mouth, ears and hair. Label each of these body parts.

Why do you think humans have hair?

What other body parts do you think are important?
