What would life be like?

Read the explanations and draw the pictures in each of the boxes.

Draw a picture of a forest. In your picture include both the plants and animals you would see.

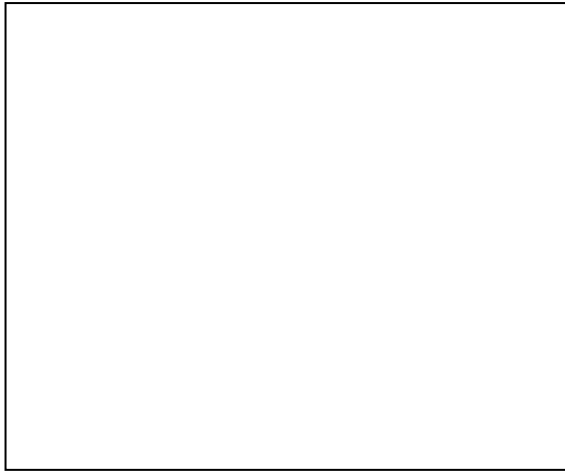

Draw a picture of a beautiful garden. Be sure to include a lot of healthy plants and the things they need to stay healthy.

Draw a picture of people eating at McDonald's. Focus your picture on the food they are eating.

Finish drawing all 6 pictures on this page. When you are done, cut along the dotted lines. Next, turn over the piece you cut out. Finally, tape that piece back in place, but upside down. Now you can compare the pictures.

Draw a picture of a forest with no trees. Think about what would happen to the animals that live there.

Draw a picture of a garden as it would look if there were no bees. Think about how the bees help the flowers and other plants

Draw a picture of people eating at McDonalds. Imagine in this case that there are no cows, pigs or chickens in the world.
