# WASTE MANAGEMENT PLAN

What garbage problems are there in your classroom?

---

---

---

---

Why are these things a problem?

---

---

---

---

What can your class do to solve the garbage problems in the classroom? Name multiple things.

---

---

---

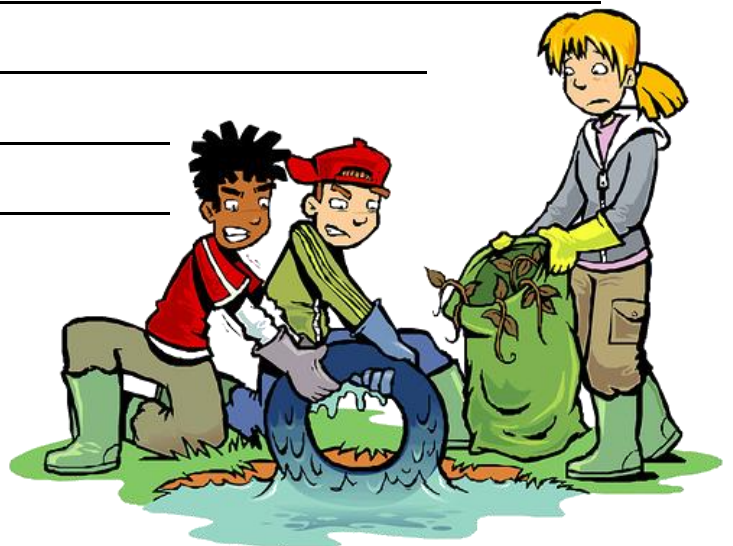

---

---

---

---

---

Think of a plan to help your class do the things that you listed.  
Draw the steps to your plan.

How will your plan help?

---

---

---

---

---

---

Why is it important to reduce the amount of garbage we make?

---

---

---

---

---

---
