# Bouncing Balls Experiment 2

Purpose (What do you want to find out?):

---

---

---

Hypothesis (What do you think will happen?):

---

---

---

Equipment (What do you need to do the experiment?):

---

---

---

Procedure (What did you do?):

---

---

---

---

---

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Observations (What happened?):

Ball	Height of Drop (cm)	Height of Bounce (cm)	
		Prediction	Result
Floor			
Gym Mat			
Cardboard			

---

---

---

---

---

Discussion (What did you learn?):

---

---

---

---

---

---

---

---
