

Ergonomics

Today's period will be used to finish your Ergonomics Advertisement. Although you should not need it at this point, here is the information for this task:

[Ergonomics Advertisement](#)

You should be working on your good copy.

- Reference how it is being graded
 - > Knowledge of Ergonomics
 - > Ideas to improve comfort
- Share document from your drive
 - > Title it appropriately

This assignment is **due at the end of this period**. If, for some reason, you are not done, you need to explain to me what your plan is to get it done and have it submitted as soon as possible.
